

WIRE RETAINERS

KEEP WIRES & PLUMBING LINES NEATLY IN PLACE

Description

New, simpler and easier way to run wires and plumbing lines and keep them in place. Available in 2 different styles. One for mounting to the side of wooden or steel joists and one to mount to the ceiling. Retainers can hold up to 3 wires per hole (or according to local codes) or up to 3/4" Wirsbo tubing. Retainers are made of durable recycled polyethylene plastic.

Retainers for mounting to steel joists or onto the side of wooden joists.

Retainers for mounting to the ceiling.

We always try to improve our products therefore specs may change without notice
